

LIST OF RESPONDENTS

Respondents could participate to the survey appearing as an institution or as an individual. 258 answered as institution and 531 answered as individuals. Respondents had the option of not appearing on the final list of participants. 99 out of the 789 that answered chose not to be included; therefore, this list has a total of 258 names of institutions and 430 individual names.

List of organisations that have answered the survey
